In order to be a volunteer at Windham Academy, I have read and understand the need for a full background check through the state of NH. I understand that all volunteering relationships established through the Windham Academy take place with student(s) on the school campus during school hours or at other school authorized activities ONLY. I understand that volunteering is a privilege, not a right, and that the School may, in its sole discretion, decide to discontinue any volunteer's participation at any time and for any reason or no reason, with or without notice or warning. All information in this application is accurate to the best of my knowledge.
