

BBBE - Unexpired Term Fulfillment

Any member who knowingly for any reason cannot fulfill the term of his/her office should provide timely notice in writing to the Board Chair.

Appointments to unexpired terms will be made by the Board as follows:

- The Board of Trustees will interview candidates from those parents, committee members, and volunteers who have shown a consistent and reliable dedication to the school.
- The Board will interview potential appointees. If still a member of the Board, the resigning member may participate in this process.
- In certain circumstances, as prescribed in RSA 91-A, the Board may meet in non-public session to discuss the potential appointees.
- The Board will appoint the new member at a public meeting. Such action will be noticed on the agenda for that meeting.
- Newly appointed Board members shall serve until the completion of the unexpired term. An additional term is at the discretion of the Board.
