Dear Windham Academy Parents and Guardians,

We are currently planning for next school year. In order to properly plan, we need to know exactly which students will be continuing on with their education at the Windham Academy Public Charter School. Please be advised that next year we will be adding a sixth-grade classroom to our school.

Students currently enrolled will not need to reapply for admission provided this intent letter is returned prior to January 29, 2021.

Please sign and return to your child's classroom teacher.

☐ My student, _____ **will** continue with their education at Windham Academy for the 2021-2022 school year.

☐ My student, _____ **will not** continue with their education at Windham Academy for the 2021-2022 school year.
