

Windham Academy Public Charter School Volunteer Signature/Agreement Form

Volunteering at Windham Academy

Windham Academy encourages parents to volunteer. Windham Academy Charter School recommends parents to volunteer 20 hours per year to have a strong partnership with parents and school. We realize many of our parents have unique gifts and can contribute to our school. The school has many opportunities to assist our teachers, students and staff.

All willing and able volunteers are expected to undergo a Criminal History Background Check. This information can be found at our school website { [HYPERLINK "http://www.WindhamAcademy.net"](http://www.WindhamAcademy.net) } (We also have information regarding this process in the main office at the school. Please call or email if you have any questions)

For those families who are not able to donate of their time, perhaps making a donation to the school is a better option.

Please check any that apply:
